WE ARE THE WORLD
WE ARE THE WORLD

Music by Michael Jackson

When we need a change
And it's time to lend
that some one - somewhere will soon make a change
We are all a part of

when the world must come to gather as one
There are people dying -

Tennis court close
when the world must come to gather as one
There are people dying -

But if you just believe-

That a change can on

But if you just believe-
